General Information

Central America is a part of the Mesoamerican biodiversity hotspot, which extends from northern Guatemala through to central Panama. Due to the presence of several active geologic faults and the Central America Volcanic Arc, there is a great deal of seismic activity in the region. Volcanic eruptions and earthquakes occur frequently; these natural disasters have resulted in the loss of many lives and much property.

Testimonials

“ Getting into a top medical university is much easier to dream than reality, I was baffled for a couple of months with the information on "How to get into Top Ranked Institutes" over the internet. The whole thing went smoothly from Admissions to Visa at ABROAD ADVICE ”

- Manish Raj

“ I have always wanted big in my life. Getting in world class medical institution was something on top of my "Things to-do" list. ABROAD ADVICE made it very convenient and shaped a new exciting phase in my life towards high success. ”

- Manogna

“ ABROAD ADVICE helped me a lot in getting what I dreamt off. The counselor was very informative and helpful. I would thank ABROAD ADVICE to make me take the correct decision for my bright medical career. ”

- Aditya Sai

“ The admission process went pretty smooth with Abroad Advice, It was an important decision of my life and Mr. Srinath helped me at every step. A class! I really appreciate all the help and support rendered by ABROAD ADVICE for my admission process. Thank you! ”

- Shagufta Khan

“ I was fortunate enough to walk straight up to ABROAD ADVICE and get everything done under one roof. In a few minutes I was convinced that I am in good hands. Mr. Srinath Sir was extremely supportive and took lot of load off my shoulder and prepared me for the post admission process. ”

- Bhupathi Reddy

“ I am glad that I approached ABROAD ADVICE International Medical Education well in time. The staff's takes each and every student very seriously and hold themselves accountable towards every student equally. I would want to thank ABROAD ADVICE International Medical Education from the bottom of my heart, for what I am today. ”

- Pravallika

“ I am very thankful to Mr. Srinath at ABROAD ADVICE for helping me take the most important decision of my career. Well, study medicine in abroad was the best decision of my life or may be the second best, as the best would be to approach ABROAD ADVICE for career guidance. ”

- Harsha

“ Today, I am a proud student of the Bogomolets National Medical University and I take the opportunity to thank ABROAD ADVICE International medical education for their constant advice and support. They are the best education consultants in India. ”

- Rishikesh

Frequently Asked Questions

Q. What is the eligibility for Admission?

A. 12th grade or any equivalent award with minimum 50% in Physics, Chemistry and Biology (Bi.P.C.) and NEET qualified.

Q. Are these ABROAD Universities Recognized by India?

A. Yes, however the best method is to get things like status of the recognition of degree & institution awarding the degree for safety of your future from concerned Govt. need to be verified before you proceed.

Q. What is the title of the degree?

A. M.D. (Doctor of Medicine) Different countries have different names for the same degree. Like U.S.A, Russia & all CIS countries call it M.D (Doctor of Medicine), China calls it MB (Bachelor of Medicine). But all these degrees are equivalent to MBBS in India.

Q. Are these Degrees recognized in India?

A. Yes, after clearing the M.C.I Screening Test conducted by National Board of Examinations for Medical.

Q. What is screening test?

A. National Board of Examinations conducts "Screening test" that MCI has introduced has three papers 1. Non-clinical 2. Clinical 3. Para-clinical and is Multiple-Choice type questions. You will have to obtain 50% to pass. Screening test is being conducted by National Board of Examination, Govt. of India twice every year.

Q. How many times can we appear in this screening test?

A. Unlimited, There is no limit on number of attempts

Q. Are these places safe for Women?

A. Yes. All Campuses are provided with CC Cameras and High Security.

Q. Who will take care the students until the course completion?

A. We have appointed people in all universities to solve the students' problems immediately.

Q. Can the fees amount be paid in installment?

A. Yes it is depends on the University.

Q. What kind of food is Available?

A. Indian food is available in all the given campuses.

Q. When do I have to start applying and how long will the process take?

A. It is generally advisable to get the process started at the earliest. The process time varies generally from three to six months depending on the university as well as the country.

Q. What are the chances of securing scholarship?

A. In the case of scholarship, the chances depend on merit as well as timing of the application. Certain countries/universities do NOT award scholarship in advance but may consider awarding scholarship, depending on the performance of the student.

Q. Can i do a part-time job?

A. No, Legally it is not allowed.

Q. What is the visa interview all about and how can I be successful at that?

A. In general, the visa interview consists of questions on financial capability of the applicant or the sponsor, performance in the qualifying exam, authenticity of the documents, etc. However, in certain cases other factors like communication skills also play an important role. For more details contact us.

Q. Can I get a job in Govt. Hospitals?

A. Yes upon registration with MCI State Medical council, the student is eligible for any government job

Q. Can a student avail education loan? if yes what is the procedure?

A. Yes, education loan is available from all nationalized and schedule banks the student has to apply directly to the bank at the place of permanent residence. Abroad EDwise will assist the student in processing the loan by providing all necessary documents required from the university

Q. Can a student take USMLE?

A. Yes, graduates from all our associated universities are eligible for appearing in USMLE.

Q. Can we open the bank account there?

A. Yes, every foreign student can open the bank account either in foreign currency or in local currency. We can carry any International Debit Card and we can use it in any ATM.

Note : If you are carrying any International Debit Card it must be used minimum 2 times in INDIA
