## Virgen Milagrosa University Foundation

VMUF was initiated as POSADAS CLINIC in 1951 and was established at Bonifacio St., San Carlos, Pangasinan in an old house in Spanish-type, a residence of a prominent landowner-businessman, one-time Municipal Councilor Don Bernardino Posadas. And later, it was renamed Posadas Medico-Dental Clinic with a 10-bed capacity, five of which were devoted for charity patients. It had provisions for surgical and X-ray services, considered to be the first in a rural area and the first air-conditioned operating room in those days. The Posadas Medico-Dental Clinic became a 4-storey hospital and was renamed Virgen Milagrosa Hospital in 1957, in honor of the Posadas family patroness, Our Lady of Miraculous Medal.
